

Join GlassRoots for the hottest summer camp in North Jersey.

Our immersive art-making experience will expose the young artists to the wide world of glass art. Each day will be filled with hands-on activities like blowing molten glass, flameworking one-of-a-kind wearable jewelry, designing stained glass, and much more!

1-week sessions

June- August

Monday- Friday 9 am - 4:30 pm

before and after care options available (fees apply)

All supplies are included

About the Program:

Students will be grouped by age and hold up to 12 participants at maximum

- 10 - 12
- 12 - 14
- 14 - 17

Students will rotate through the studios every day, creating multiple projects

Sample Day:

- 9:00 - 12:00: Glassblowing
- 12:00 - 12:30 Lunch
- 12:30 - 2:30: Flameworking/Jewelry
- 2:30 - 4:30: Each day of the week students will do one of these activities: Mosaics, stained glass, etching, fusing, or image transfers

About our Staff:

- All summer staff are American Red Cross CPR and first aid training certified
- All summer staff are fingerprinted and background checked
- All courses are led by Tier 1 Teachers (Professional artists and/or teachers with degrees in fine arts)
- Classrooms also include Tier 2: Teachers In Training (working at GlassRoots for 6 or more months)
- Safety leaders rotate throughout the building hourly to inspect each class
- Program Directors are on site all day.

Since mastering the art of glass making is like learning a new language, multiple weeks can be purchased and students will build on their skills from week to week. The projects can be tailored to repeating students but a stand-alone week will also create memories for a lifetime!
